

Large Boards and Modules

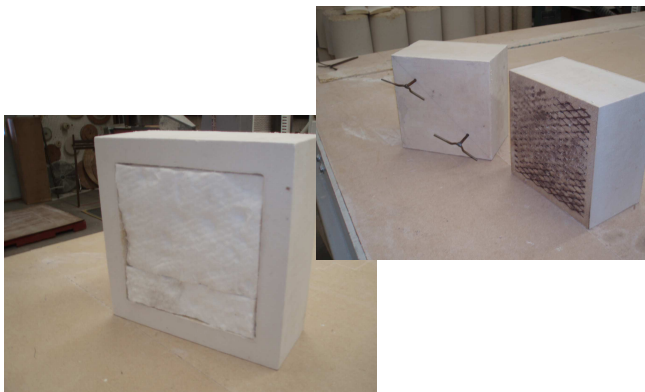

ISA has a large variety of standard sizes and thicknesses of board available.

24" x 48"	36" x 48"
24" x 36"	48" x 48"
	36" x 60"

Custom sizes are available thru our finishing department and CNC capabilities.

Thicknesses range from 1/4" to 8". All thicknesses and specifications are available with our computer controlled sander.

Modules can have custom wire mesh supports with anchors embedded into the modules. This will facilitate spray on finishes and easy mounting to oven walls.

Customer specifications can be accommodated on custom modules for backup linings, gunnite working linings or any safety linings.
